

# Action Taken Report on Feedback Session: 2021-22

## DAV POST GRADUATE COLLEGE

(An Institution for Higher Education & Research)

(Admitted to the Privileges of Banaras Hindu University)

NARHARPURA, AUSANGANJ, VARANASI (U.P.) INDIA - 221001

In the feedback for the session 2021-22 the students appreciated the curriculum, teacher's delivery and completion of courses on time and the same pattern and delivery mechanism would be continued. Further, it has been also decided that new online platforms like media center would be undertaken for delivery of quality video lectures by eminent scholars in different subjects in the forthcoming session.

Approximately 95 percent of the Alumni were satisfied with the performance of the faculty members. It is indeed a very good sign for the college, so considering this practice as an appreciation, the college will continue to conduct large number of academic programs such as research methodology workshops, seminars, conferences etc. to uplift the performance of faculty members.

The administration of the college has always encouraged all the faculty members to participate in various academic activities such as international conferences, seminars, workshops etc. to further inculcate the current global competition.

## **PLACEMENT**

About 22% of the respondents were not satisfied with the placement facilities provided by the college. Although the college is not running professional courses yet, we are trying to develop placement facilities at departmental level.

We are also enhancing our student's professional skill through different courses like computer application, communication skills, language lab Hindi Patrakarita and Counseling and Psychotherapy to meet up the challenges of selection and placement.

Further the college administration reconstituted a 'placement committee' consisting of some senior faculty members. To promote college placements, the committee is establishing a link with corporate members, entrepreneurs, and our alumni.

### **HOSTEL**

Considering the remark about college's hostel facilities, the administration has submitted a proposal to construct Boys and Girls hostel in the college to UGC. Once the proposal is finalized by UGC, the problem regarding the hostel will get resolved.

### **LIBRARY**

The feedback regarding the library facilities, infrastructure and lab facilities provided by the college was satisfactory, still the college administration always takes prompt and immediate steps to rectify/ resolve problem, if any. Renovation and digitalization of the college library has been proposed. Numerous books related to syllabus, latest journals, magazines etc. are purchased by the college administration on a regular basis.

In the process of digitalization of the library, development, and maintenance of a separate webpage for library has been proposed for smooth functioning.

As such, Labs are equipped with computers, podiums, air conditioners etc. but they are updated with latest configurations/ technologies, Wi-fi facilities etc. on regular basis.

## **WEBSITE**

52 percent of the parents are dissatisfied with college's website. To resolve this issue, regular updating and necessary modifications of the website has been proposed. To make the college website more user- friendly, it is being developed in Bilingual mode.
