Ref. No. :

Date :

The following Collaborative Activities were conducted under the MOU between DAV P.G. College, Varanasi and The Indian Institute of Cerebral Palsy and Handicapped Children, Varanasi in the Academic session 2017-18:

- **Assessment & Evaluation Training of Autism** : Autism spectrum disorder (ASD) is a developmental disability caused by differences in the brain. People with ASD often have problems with social communication and interaction, and restricted or repetitive behaviors or interests. People with ASD may also have different ways of learning, moving, or paying attention.

Awareness about developmental disorder: Some of these disabilities include:

- Autism spectrum disorders
- Attention-deficit disorders
- Intellectual disabilities
- Speech, language and learning disorders
- Genetic disorder
