**Centre for Inclusive Development**  
(Functions under KIRAN Society, registered in Varanasi under the Societies Registration Act 1860)

## Activities Report

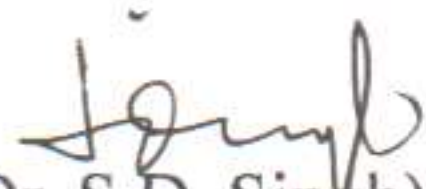

Date : 30-10-2018

Activities were conducted under the MOU between DAV P.G. College, Varanasi and Kiran – A Ray of Hope Into Lives (KIRAN Society) on 20-10-2018 in the academic session 2018-19. The students of above mentioned college have visited our centre and saw our different activities running for Divyang Children, which is given under here.

- **Inclusive primary school** and its facilities like- Computer lab, where disabled and normal children are learning basics of computer all together
- **Special education unit** – here they saw that, how can be treated a sever disabled child with cerebral palsy (CP) and provide special education for the betterment of their life
- **Orthotic unit** - This is the unit of rehabilitation department of KIRAN, were the team worked for making supportive aids and appliances
- **Accessibilities** facilities for Divyang children
- **Conducted collective workshop** related with RPWD Act 2016, government facilities for Divyang jan e.t.c.

They also have visited our library and saw different teaching modules which is used for teaching to different kind of disabilities.

All the participants were very happy and appreciated a lot to this programme.
