Lane No.-16 Ravindrapuri (Near Prime-Minister's Office), Varanasi - 221005
Mob. : 8756837310, 7880893030

The following Collaborative Activities were conducted under the MOU between DAV P.G. College, Varanasi and **The Ravi Neuro Psychiatry Centre, Varanasi** in the Academic session **2017-18:**

Training about assessment: what is assessed at this point include what substances the patient is addicted to, how long they've been addicted, and whether they suffer from any known mental health disorders. This is one of the most important steps of the treatment process

- Training for Drug Abuse Screening Test (DAST-10)
- Addictions Neuro-clinical Assessment
