

## Action Taken Report on Feedback (2023-24)

### Faculty Member

Students' appreciation of teachers' subject knowledge and clarity of the subject motivated the faculty members; although use of ITC tools in teaching were underrated by the students. Effective integration of ICT tools in teaching is a challenge. Improving the use of ICT tools in teaching is crucial for meeting student expectations and enhancing the overall satisfaction. By implementing improvements in use of ICT tools, the institutions can bridge the current gap and foster a more interactive and technology-driven learning environment. To overcome the issue related to use to ITC tools in teaching some training program would be conducted for teachers in coming years. Further, it was also decided that our new online platforms 'media center' would be functional in full strength in coming years.

Maximum number of the Alumni were satisfied with the performance of the faculty members. It is indeed a good sign for the college, so considering this practice as an appreciation the college continued to conduct large number of academic programs which include research methodology workshops, seminars, conferences etc. to uplift the performance of faculty members as well as involve students for practical learning experience.

The college administration is always supportive and encourages all the faculty members to participate in various academic activities such as conferences, seminars, workshops etc. to further inculcate the current global competition.

### Placement:

About 60% of the respondents were not satisfied with the placement facilities provided by the college. Although the college is not running professional courses still, we are trying to develop placement facilities at department as well college level. College administration has constituted a 'Placement Committee under the guidance of senior and experienced faculty members to cater the need of students regarding placement. Placement Committee of the college is working in collaboration with 'University

## **Action Taken Report on Feedback (2023-24)**

Placement Cell' to provide placement opportunity to college students. College placement committee is establishing a linkage with corporate members, entrepreneurs and our alumni to promote placements of our college.

We also enhancing our student's professional skill through different courses like computer application, communication skills, language lab Hindi Patrakarita and Counseling and Psychotherapy to meet up the challenges of selection and placement.

All the departments of the college have started value added courses to sharpen the skill the knowledge of the students which will help them to get job.

### **Hostel**

Considering the remark about hostel facilities provided by the college, the administration has submitted a proposal to construct Boys and Girls hostel in the college to UGC. Once the proposal is finalized by UGC, the problem regarding hostel will get resolved.

The college has started to construct a new Girls Hostel in its premises. This newly constructed girls' hostel will cater the need of residence of girls' students up to some extent.

### **Library**

The feedback regarding library facility, infrastructure and lab facilities provided by the college was satisfactory, still the college administration always takes prompt and immediate steps to rectify/ resolve any problem, if any. The college has Renovated and digitalized it existing library. Numerous books related to syllabus, latest journals, magazines etc. are purchased by the college administration on regular basis as recommended by respective departments.

In the process of digitalization of the library, a separate webpage for library has been development and maintained for smooth functioning of library.

## Action Taken Report on Feedback (2023-24)
