

***One Day Educational Tour Report***  
***Visit to Mundeshwari Devi Temple and Rohtas***

Date: 16.11.2025

Travel and Tourism department

Place of Visit: Mundeshwari Devi Temple & Rohtas, Bihar

Participants: Students and Teachers

Report

A one-day educational tour was organized to Mundeshwari Devi Temple and Rohtas for the students. The main objective of the tour was to provide educational knowledge, historical awareness, and recreational experience to the students.

The journey started early in the morning from the college campus. All students and teachers reached the destination safely and enthusiastically. First, the group visited Mundeshwari Devi Temple, one of the oldest temples in India, situated on the Kaimur hills. Students learned about the historical and religious importance of the temple, its ancient architecture, and cultural heritage. The peaceful environment and scenic beauty of the hills made the visit memorable.

After visiting the temple, the group proceeded towards Rohtas. Students enjoyed the natural beauty and calm atmosphere of the dam area. Teachers explained the importance of dams in water conservation, irrigation, and electricity generation. The visit also provided students an opportunity to learn outside the classroom and develop social interaction and teamwork.

During the tour, all students maintained discipline and actively participated in the activities. Refreshments and lunch were arranged for everyone. The tour ended successfully, and all participants returned safely in the evening with joyful memories and valuable learning experiences.

Conclusion

The one-day educational tour was highly informative, enjoyable, and successful. It helped students gain practical knowledge, cultural understanding, and refreshment from their regular academic routine. Such educational tours are beneficial for the overall development of students.
